

Dear Sponsor :

16th August, 1965.

I am very glad to write a letter for you again.

This term was finished so I have a quite long summer holiday.

During the days I help my mother working at home, look after my brothers and do some needlework. Every day I study for an hour. Sometimes I go to visit my school-friends.

After this summer holiday, I will promote to F. 2. In this term although each Subject is difficult than last year. But I must study harder to learn more knowledge.

With many best wishes to you and your family.

Your child

Pui Yee.
