Origination of Appreciation Night: The Womens' Institute of Sydenham were the chief organizers of this appreciation night in order to show gratitude and thanks to a man who gave so much of his life and time to to people of the Sydenham and surrounding area, a man who put foremost the needs and care of others ahead of all else. Dr. Stan Rybak!

The proceeds from activities tonight and donations received from people from all over Frontenac County will be used to furnish a room at the St. Mary's of the Lake Hospital in Kingston where Dr. Rybak has been a patient since suffering a stroke some 5 years ago. (1983)

It was Leah Hartman's idea to make the beautiful crafts and toys which are being auctioned off tonight. These items took many months to make, and Mrs. Hartman chose this tribute to Dr. Rybak as an opportunity to show our gratitude to Dr. Rybak for all he has done for the community. His special attention paid to babies and children helped to provide the theme for the crafting of these items..
