

On August 17<sup>th</sup> 1921, this District of Frontenac was formed, and it was at the invitation of Sydenham branch, that Westbrook, Inverary, Mountain Grove and Godfrey came for an afternoon meeting, held on Mrs. Clare Ames's beautiful lawn.

Some 92 ladies were present to hear the late Miss Emily Guest, M. A. Toronto explain the benefits to be derived from a linking up of the five branches we then had, also the opportunities we would have to grow; and I am very proud of this, that I made the motion to organize the District of Frontenac, the seconder being the late Mrs. Wm. Clarke of Godfrey.
