

13.
\$150.00. These grants have greatly assisted in helping to visit and organize new centres.

Legislative grant varies as you know with the number of branches, and the returns requested by the Department.

In 1923 we had our first exhibit at Kingston Industrial Fair, a domestic science booth, child welfare, looked after by the Health Department, an old time exhibit and a refreshment tent.

Local exhibits, different years were outstanding, the results being far reaching as one will see by the beautification of home surroundings, throughout this County.

Your district financed the purchasing of seeds and bulbs, with the assistance of all branches then organized.

On January 6, 1926 we entertained the Eastern Ontario Dairyman's Association to a banquet. The same year we had the Holstein Friesian Association banquet then in 1927, the Western Farmers supper and in 1930, the Farmers Club banquet, the last three netting us \$248.-

Girls work then and now is carried on differently, but this district assisted them
