TWEEDSMUIR HISTORY CURATOR'S REPORT 1987-1988

Nothing has been added to the Tweedsmuir History book this year.

The former curator, Mrs Betty Roberts, and several Institute members participated in Heritage Week celebrations with the pupils of Loughborough Public School in Sydenham. Mrs Roberts gave numerous presentations of the Loughborough Collection of slides of local historic interest, various traditional crafts were demonstrated, and an antiques and craft show was set up in the Township Hall.
