Bygone Age Recalled by Waters W.I.

A charming illusion of a bygone age was created by the Waters Women's Institute to set the stage for a spring tea held to commemorate the 65th anniversary of the founding of the Federated Women's

Institute in Canada. The successful affair was held at the 1A Waters school, effectively decorated for the occasion with a profusion of spring flowers. The WI members wore the quaint dress, capes and hats high in fashion around the turn of the century. In the delightful group above, Mrs. Stan McClellan, at right, models a pretty tiered black lace party blouse with sweeping, ruffled skirt. The ensemble has been carefully kept and treasured in Mrs. McClellan's family for many years. Mrs. E. A. Rauhala, left, Mrs. Victor Lahti and Mrs. Hugh Glynn, seated, used ingenuity and skill in creating their costumes. President Mrs. Glynn was general tea convener. The occasion also marked the 25th anniversary

of the WI branch in V. It was organized by the principal Mrs. Jessie ton. First president, M Diebel now resides Riverside Dr., in S. The women's group has tributed to many proje the betterment of the c nity throughout the quarter century.
