

President Alberta Campbell 1925 -6

When the Women's Institute was re-organized in 1925 Miss Alberta Campbell was the president. She was raised on a farm near Woodville. Alberta filled her office with grace and charm. She was also active in the church as a Sunday school teacher.

Soon after her marriage to Claire Myers she and her husband moved to Peterborough. Sometime after Claire's death Alberta re-married and became the wife of a dentist. Once more Alberta became a widow. She did not long survive her second husband.
