

Mrs. A.L. Hooley  
Verna

President 1945-1950

Secretary 1952-1954

Mr. Hooley was the wife of the manager of the Bank of Commerce. They moved to Woodville from Claremont. Verna had been a member of the W.I. there.

Mrs. Austin invited Verna to the first meeting of W.I. which she attended in Woodville. She recalls especially the quiltings held in the homes often with a child or two running under the quilts and not going to bed when told to go.

She remembers attending the organization meeting for the 4H Club.

Verna served the Institute well as the dates above verify. She said she always enjoyed the monthly get together. of the W.I.

Verna moved to Crono in time to attend the final meeting of the W.I. in that town. They were forced to disband for want of members as the town had too many organizations. Mrs Hooley Became involved in the Hospital Auxiliary at Bowmanville. Later her husband was transferred to Bowmanville ,wher they still reside.
