Conferences

Conveners of Standing Committees have attended National Conferences of organizations with which we are affiliated. In addition to this, delegates have been sent to other National Conferences. In 1961 several attended the National Conference on Education and in 1962 a Conference arranged by the CBC on "The Real World of Women". At the latter Conference some of the members took part in the program. In 1965 FWIC had delegates at the Conference on "A Health Charter for Canadians".

Slides

Sets of slides on the work of our organization have been made and are available on loan from the National office, Ottawa. These relate to ACWW, FWIC and NCWI.

Honours

Members continue to receive honours and awards for outstanding contributions to their Provinces and to their Nation. In 1967, Centennial Year, twenty-one awards were presented to members of FWIC for their service to the Nation.

Golden Anniversary Celebrations

All across Canada members of FWIC have been marking this Fiftieth Anniversary with special programs at Branch and Provincial level. At our National Board meeting in June, 1969, an Anniversary Party was given by our Canadian Deputy President of ACWW, Mrs. Graham Spry, and a tour was made of the Capital.

"Federated News" has made special reference to this Fiftieth Year of the Federation. These include an article on the Founding Meeting held in Winnipeg in 1919, with a picture of the Founding Group; an article on the first Board Meeting in Toronto in November of that same year, and pictures and biographies of all eighteen Presidents who have served for this fifty year period.

Let us continue on to greater achievement as we move into the second half of our century.
