

**WHITEWATER COUNTRY** — home of Ottawa Whitewater Rafting Ltd. and the famous Rocher-Fendu rapids of the Ottawa River. The several magnificent miles of whitewater is a world-class challenge conducted by our team of thoroughly trained and entertaining riverguides. Each guide and safety kayaker is E.C.R.O. registered and devoted to your safety and enjoyment. The equipment you will use is the finest available. Our rafts were designed by us specifically for the Ottawa, with a foot stirrup retention system and 5 thwarts, attributing the added safety of only two rafters per compartment. And our rafts have no oars or rigid oar rigs.

As well as challenging one of North America's mightiest whitewater runs; trip activities include body surfing, cliff-diving and a hearty BBQ lunch. The thunder of the rapids fade as you drift towards the campground where you will relive some of the day's excitement on video, while you enjoy an ice-cold refreshment. You are then invited to enjoy our recreational facilities under the friendly guidance of our experts. Ottawa Whitewater Rafting Ltd. the recognized leader in safety and adventure. Make us your outdoor connection for high-powered recreation.
