Dear Mrs. Kilby:

The enclosure will give you information re. the purpose of my letter. Our proposal of Sarah Lavalley for the Royal Bank Award needs your support. I hope you can help us. The proposal has been acknowledged.

If you agree that our proposal has merit W.A. Miles and I ask you to write to Mr. Moores (address below) on Sarah's behalf. Perhaps you will have a personal reference to make - or clippings to enclose. She had a lot of publicity. I'm sure she will know what to do with 100,000.00

The Selection Committee meets in early Spring so it is important to write as soon as possible.

I hope you can help us + John Miles + I thank you in advance.

Yours truly

Jean George von Karstedt
