Mr. E. J. Stewart

Keenewa

Dear E. J.

Hours of the ^{of the} containing
 the enclosed letter received at the time of my
 when I saw you since I forgot to speak
 about it. So we would have a meeting for
 some time to appoint any one perhaps I better
 meet their Commissioner
 when you and his letter (the clerk) which
 should have been answered sooner felt him
 to spare a day and the hour and I will
 meet their man at the stated place

Yours truly

James Martin
