

Haley's June 26/12

To the Councils of the Townships of
Ross and Horton

We, the undersigned ratepayers of the above named Townships do hereby respectfully and earnestly petition the Councils of the said Townships to have removed the fence which now prevents the public from having use of the Township or proving line running north-east from the fourth concession of the said Townships till it reaches the waters of Green Lake, and that the said Township or proving line be hereafter left open for public use.
