

In 1998 the Quilt Show and Luncheon was held in Beachburg again on Saturday and Sunday, September 26, 27. There was an outstanding, excellent display of over 70 quilts, cushions, wall hangings, stuffed animals, and crafts-paper tole, tole painting, painted rocks and much more. Excellent comments were welcomed in the Guest Book. A great success! Profit over \$800.

Christine Reaburn puts in some finishing stitches in the quilt which was made from blocks from the Competition. Tickets were sold and \$1000 given to the Bernadette McCann House in Pembroke as our annual project. The draw was made at the Quilt Show on Sunday.
