KEEP us O Lord from pettiness; let us be
large in thought, in word and deed ❧

Let us be done with fault finding and leave
off self seeking ❧ ❧

May we put away all pretence and meet
each other face to face, without self pity and
without prejudice ❧ ❧

May we never be hasty in judgment and
always generous ❧ ❧

Let us take time for all things: make us grow
calm, serene, gentle ❧ ❧

Teach us to put into action our better impulses
straight forward and unafraid ❧

Grant that we may realize that it is the little
things that create differences; that in the
big things of life we are one ❧ ❧

And may we strive to touch and know the
great human heart common to us all, and
O Lord God let us not forget to be kind ❧
