

In 1926, these were the students of S.S. No. 5, Ross Township. Sitting in the front row are John Jack, Earl McLaughlin, Jimmy McLeese, and Lloyd McLaughlin. Standing in the middle row are

Mernie Gould, Isabel Tripp, and Lindsay McLaughlin. And in the back row are Mary Gagan, Miss Hazel Bulmer [teacher], and Florrie Jack.

Prospect Hill, Cobden, Ont.

### A View of Cobden

This post card, showing Prospect Hill in Cobden along Main Street, was mailed in 1908 using a one cent stamp. The card was published for A. H. Box of Cobden. Coincidentally, the stamp on the card

features Cartier and Champlain, the explorer who first travelled through this region. It was Champlain who lost the now famous Astrolabe near where Cobden now stands.
