

their pole routes and lines and the various points touched thereby, the location of toll stations, if any, within the territory herein defined, and also such information or data with respect to the telephone service furnished by their system to subscribers and other patrons within the territory as herein defined, as may be reasonably needed by the Bell Company in making proper directory listings and in compiling statistics of telephone service.

11. To furnish promptly upon request of the Bell Company a list of their subscribers for publication previous to each issue of the Bell Company's Eastern Ontario Telephone Directory, and to in no way hold the Bell Company liable for any errors or omissions in the printing or listing of such subscribers, but the Bell Company shall be under no obligation to publish a list of the Proprietors subscribers unless the Proprietors purchase at cost from the Bell Company copies of at least one issue per annum of such directory for each subscriber connected.

IT IS MUTUALLY AGREED:-

12. That the following charges shall be exacted on traffic transmitted between stations on the Proprietors System and the Bell Company's Cobden Exchange - the division of such tolls to be made in the ratio shown below:-

(Between) Bell Co's Cobden Exchange)	(And) Stations on Proprietors System	<u>Rate</u>	<u>Divided</u>
subscriber	subscriber	Nil	(See Clause #3)
subscriber	non-subscriber	10¢	Bell Co. 05¢ Proprietors .05¢
non-subscriber	subscriber	10¢	Bell Co. 05¢ Proprietors .05¢
non-subscriber	non-subscriber	10¢	Bell Co. 05¢ Proprietors .05¢
