
 * The land was covered with bush so had to be cleared to build a *
 * house. With the help of neighbours, a shanty was built. David walked to *
 * Foresters Falls to the present location of Millar's Store, was married there *
 * to Jane Evans, and together they walked home to their farm. *

* The trees that were cut to clear the land were used to build a log *
 * house, granary and stable. The stumps that were removed with a stumping *
 * machine, were used for stump fences. Rail fences were made from cedar trees *
 * cut from swamp land. Eventually these were replaced with wire fencing. *
