## ARTIST OF THE INTRODUCTORY PAGES

ART LEMKE

The art work on the first three cover pages in this volume is from the pen of Mr. "Art" Lemke, a native grandson of a pioneer family that settled on the farm at Lemke Lake in the township of Alice. Like those with a district and historical background, "Art" has an interest in preserving that heritage through the written word. His outstanding hand work has added greatly to our history book. Mr. Lemke is also one of Pembroke's leading shoe specialists.
