

HENRY WUNSCH FORMER REEVE HONORED BY COUNCIL

1986

A quiet gathering was held at the Calvin Community Hall in honor of Henry Wunsch of Calvin Township. Henry resigned his position as Reeve from Calvin Council after serving 20 years as Reeve and 4 years as former councillor. Henry was presented with an engraved gold watch by his former council members for his services in past years. The only special guest present was Royal Poulin from the local office of the Ministry of Municipal Affairs and he presented him with a plaque on behalf of his Ministry. On behalf

of the staff, Henry was presented with an album covering his career in municipal politics with pictures of some of the highlights during those years. Other plaques were received from Ernie Eves and Moe Mantua. A couple of hours was spent reminiscing the past and looking to the future. Henry in his soft manner graciously thanked his fellow council members and staff for remembering him in this way. Coffee and lunch were then enjoyed by those present.
