(15) **Cochrane Railway and Pioneer Museum.** Housed in rolling stock of Ontario Northland and Canadian National Railways, at Cochrane Union Station, this museum contains ONR Steam Locomotive No. 137, model train display, photographs and artifacts of railway construction days (T&NO and NTR) and early homesteading period. Also, a pioneer log cabin and trapper's cabin, blacksmith shop display, furnishings, utensils, tools, traps, CNR Caboose, and Indian Eskimo handicraft display. Open: Mid-June to Mid-September, daily, 1 p.m. - 9 p.m. School groups by appointment.

(12) **COCHRANE ENTERPRISES LTD.**

invites you to inspect Canada's largest poplar plywood manufacturing plant while you are in Cochrane.

**GUIDED TOURS**

START AT 3 p.m. each Monday, Wednesday and Friday during the excursion and hunting seasons.

A fascinating and informative demonstration of modern industrial technology and conservation.
