

The Kids on the Block will be travelling throughout schools in the county to teach students about various disabilities. The group uses a Japanese style of puppetry in which the puppeteers stand behind life sized puppets.

The Federated Women's Institute of Ontario, Combermere Branch donated \$50 to the Kids on the Block, to help cover their transportation costs as they travel throughout Renfrew County. Here Lorraine McEllistrum, presents Anita Boles and the group with the cheque.
