

*They came to this country from Sweden and Norway, a mixture of Scandinavians and they built a community referred to as “ LITTLE SCANDINAVIA ”. Better still, they brought their customs and ways of life with them.*

*JEAN JOHNSON*

*The Kipling Centennial Book Committee Volunteers have worked together with all material submitted to us by many interested people. This is not a “ history” book but a collection of thoughts and memories of what “ KIPLING” means to many. Kipling Women’s Institute does have an authentic history book*
