

Kipling Women's Institute former Curator of this
Tweedsmuir History Book Mrs. Fred. (Anne) England.
A very special thanks for all the many hours of work
done by Mrs. England in getting this book ready for
1967.

This is truly a Centennial Project of the highest degree.
Without her devoted time and efforts this book would not
be what is is today.

Anne wearing her native costume typical of Norway.

KIPLING PIONEERS 1893 - Kipling History
