Dear *Mrs. Hall*.

Newly-elected Board Director, Welcome!

It is good to have you a member of the Provincial Board.

The Annual Meeting of the Provincial Board will be held from December 5 to 9, 1977 in the Ford Centre Hotel in Toronto. You will be receiving further information from our N. Branch.

On the Monday evening, December 5, we will hold a get-together for the new Board Directors in the President's Suite. Come with your questions and I hope your predecessor has been an information, especially the minutes.

You will be responsible for a meeting of your Districts in December, January or February to call the Board the December Meeting.

Are there questions about District Affairs and your duties? Give this some thought and we hope we will be able to answer all your questions.

We also hope you will enjoy working with us for the benefit of all Women's Institute Members in Ontario.

Yours sincerely,

(Mrs. Herb) Verna A. Maluske

Mrs. Herb Maluske, President
