

Do You Know?

That Home and School members are voluntary workers.

That people of all races and creeds may become members.

That the policies and programme of Home and School are educational.

That by paying an annual fee to the local association one becomes a member of the Provincial and National Home and School Federations.

WE BELIEVE IN

Equality of educational opportunity.

Adequate health facilities.

Instruction and school experience in learning the art of living with others.

Parent-teacher partnership.

Promotion of study groups.

Democratic family living.

Opportunity for youth in community planning.

Federal aid to education.

Wider use of radio and television in education.
