Women's Institute Holds Last Meeting

MONTEITH (Special) — The Women's Institute held its regular meeting at the home of the president, Mrs. A. Hoffman who chaired the meeting.

The meeting opened with the Lord's Prayer. Mrs. H. Lang, secretary read the minutes of the June and September meetings. The financial report was given and showed that the patchwork apron had brought in five dollars for the fund.

Mrs. Hoffman gave an interesting account of the convention held in Matheson to which she was the delegate from Monteith. After a lengthy discussion it was decided to cancel meetings for the winter because of the few members able to be present. A number of members have moved away and others have too many duties to attend regularly.

It was agreed to call a meeting in case of emergency and a special meeting will be held in December to decide on Christmas parcels.

The meeting was brought to a close and a social hour was enjoyed with refreshments being served by the hostess, Mrs. Hoffman.
