MONEY MAKING SUGGESTIONS

1. Fun and Games Night - bring your friends and make up a table or two of cards or games - sort of do your own thing. Admission \$1.00 per person, serve a lunch - cookies, tea, or coffee. Have a door prize
2. Take out lunches - business and professional people in your community will appreciate it. Work from a hall or large home kitchen and deliver these boxes. It is more ideal to take orders beforehand, either by phone or personal contact. Charge \$1.00 a box.
