

THE PURPOSE

Opportunities for rural women to get together and share common interests are limited. The NORTHERN ONTARIO RURAL WOMEN'S SEMINAR is a 2 day program developed by rural women. This program offers rural women the opportunity to discuss the challenges of today. Speakers have been selected on the basis of their knowledge and experience in a particular area.

We are enthusiastic about the scope and timeliness of the program topics. We hope you accept our invitation to be part of this seminar.
