

UPCOMING ADULT WORKSHOP

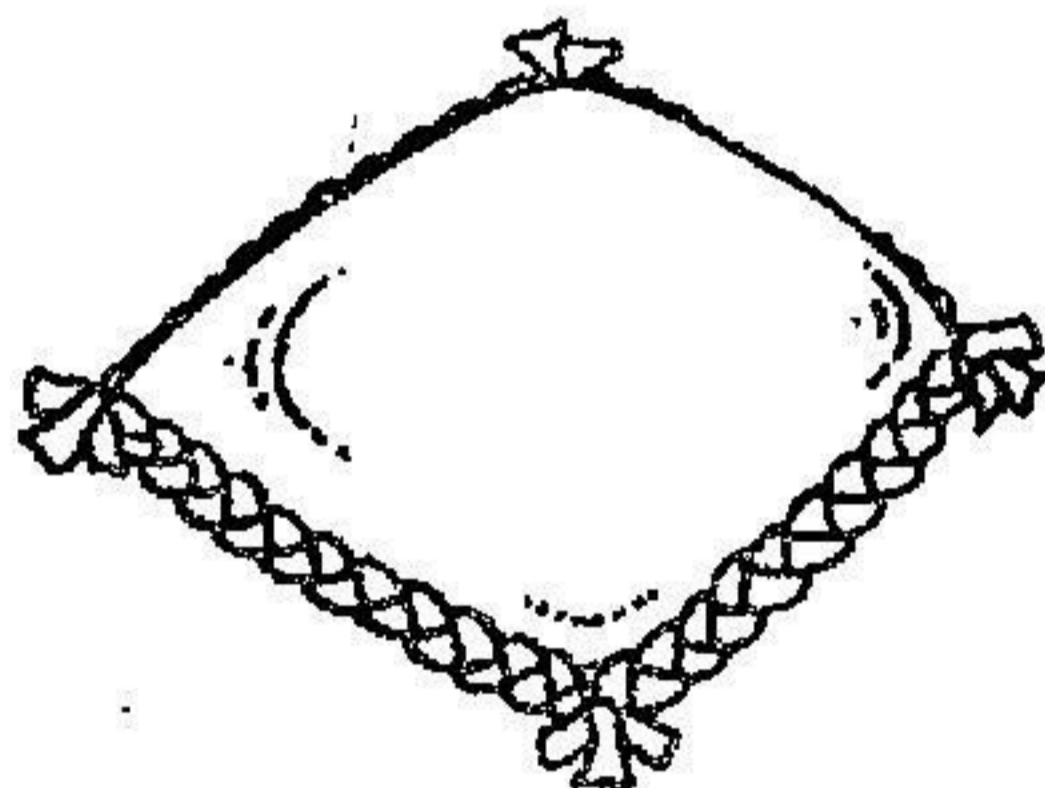

- Fall 1984

RUG BRAIDING

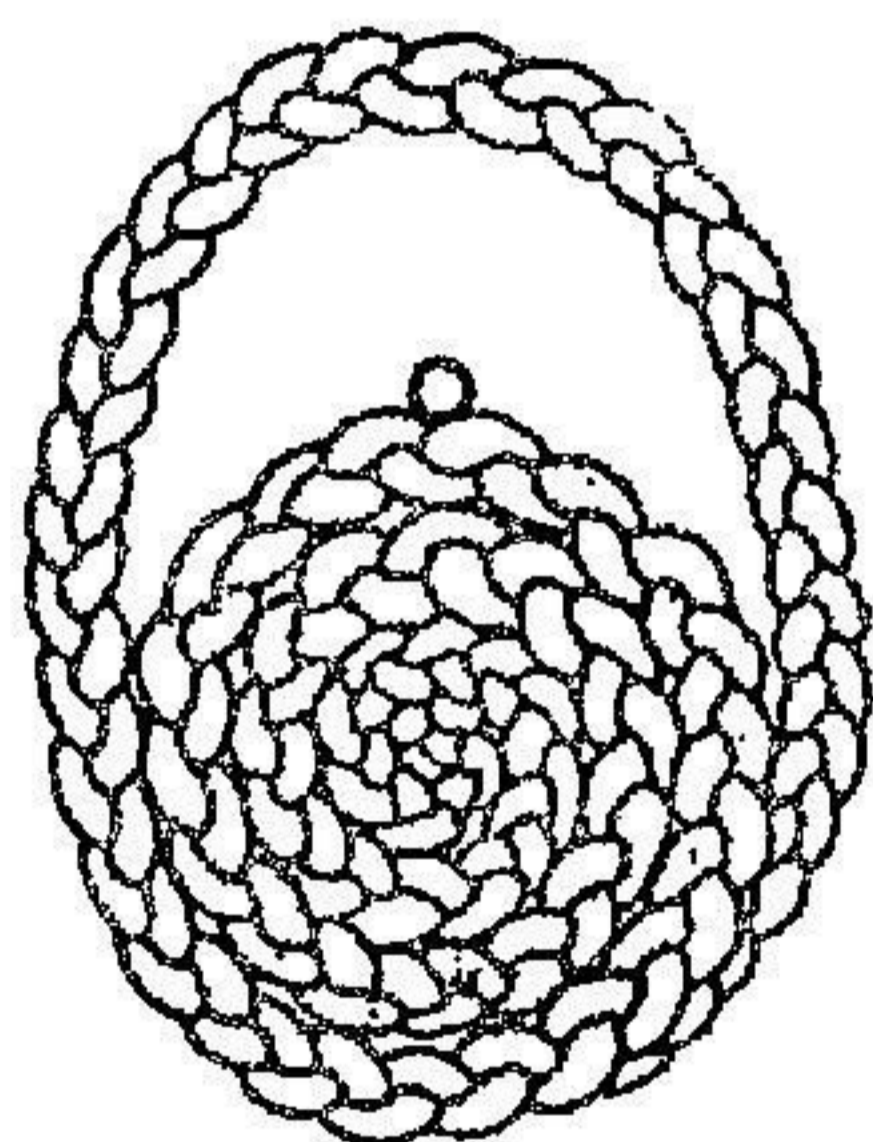

Are you looking for a leisure time activity which allows you to CONSERVE ENERGY, RECYCLE FABRIC and SAVE MONEY while you create something beautiful? Try RUG BRAIDING.

At this workshop, you will learn the basics of braiding and recycling household articles such as clothing to create trivets, placemats, chair pads and even area rugs.

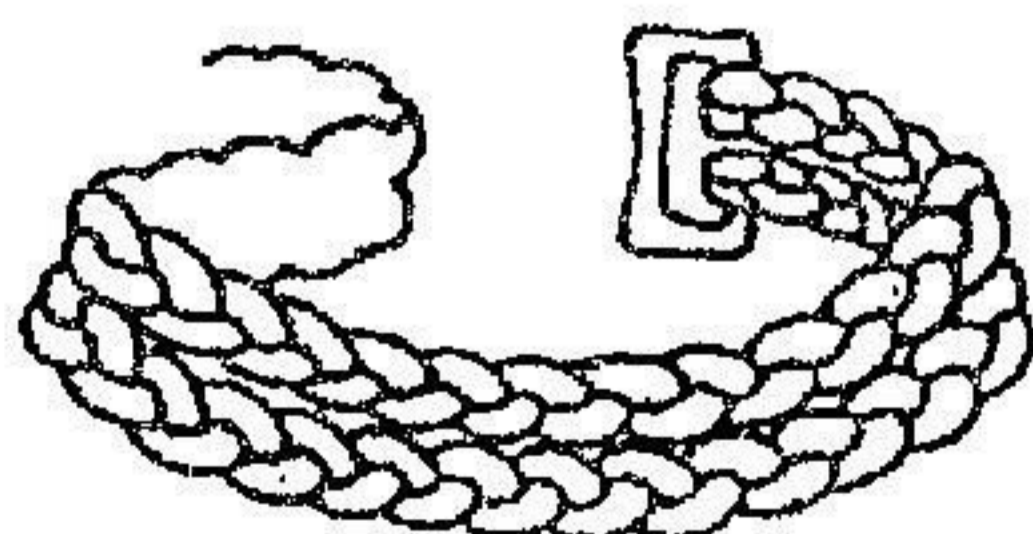

W.I. secretaries will receive more information in the early fall for October workshops.

Use plaits to trim a cushion

Make a handbag with two mats.

Join two lengths to make a belt.
