all over

Dear Mrs. Semple,

I am sending you a summary of the evaluation of the workshop held in Englehart. I am sure you will like to know the suggestions made and criticisms expressed by people who attended it. No doubt you will also be interested in knowing the results of the other three workshops and their evaluation is also included, plus a summary of the evaluation of all four workshops. I would appreciate any additional comments and suggestions, should you have any.

Let me assure you that Mr. Allen and I very much enjoyed working with your group. Perhaps the attendance was not as high as expected but you should not be disappointed. After all, the numbers are not most important; sometimes a smaller group of enthusiastic and well informed educated people can do more than a large crowd lacking these essentials. I hope to see you again later in the year.

Sincerely yours,

Stan Zybala,
Regional Liaison Officer
for Northern Ontario.
