

Supervision of Teachers. The interesting points in Historical Research were pointed out by Miss Powell. A question drawn on our institute problems was answered and problems discussed and in order that the gathering might relax something was sung from the community song sheets.

Miss Powell gave a talk on general institute work and the preparation of programs, making them helpful to one and all concerned.

A vote of thanks was tendered Mrs Colleton and Miss Powell for having contributed so greatly toward making our convention a success. A vote of thanks was moved to Mr Darr and a letter of condolence to be sent Mrs Walker. While Miss Powell and the federated members retired to choose their representative a discussion ensued regarding the next room which had been under consideration in New Piskard but it was thought inadvisable to do anything regarding it at present.

Mrs Moulfield of Island Falls told us of the organization and work of
