That we could get a box of cotton, free from the Dominion Textile Co., 715 Victoria Square Montreal. The study of Wheat Cost of Cereals, Study of wood in regard to paint and varnish, in the treatment of old floors, etc. Of the Soya Bean, its many products, Manufacture of Rock Wool used for insulation, thus conserve heat. Study of foods, Small booklet for the use of local leaders takes the place of bulletin 252, The Care of vegetables, seed test, and weed control, Encourage the children to study weeds and help get rid of them.

Mrs McHowell suggested that seed houses be notified that seeds for the north be of the early variety.

The Study of honey, Miss Powell closed with the suggestion, "That we study part of this list, such as will measure up with our daily life."

Moved by Mrs McAuley and sec. by Mrs Wright. (Carried) That our Convenor on Agriculture and Canadian Industries, write the seed houses, that when children apply for seeds for sale, that early varieties be sent.

II Report on Canadianization by Mrs C. H. Smylie, Matheson Only one Branch reported, Visiting of Finnish Women, Discussion of this report was by Mrs McHowell, First she brought greetings from the Federated Board, As the President change and we have new ones, she was afraid that she might not measure up to Mrs Colloton, the past president, as the work is new, but would do her best.

Mrs McHowell, gave us this outline on Canadianization The Study of the Flag, Travelling Library, Study about our new comers, How quickly new comers learn our language and how quickly they make use of our advantages, Study the emblems of the provinces, when they were granted and what they mean, Suggested that libraries may be secured and kept by the Branch,

In closing Mrs McHowell told about some bringing their mending to a meeting, not doing it themselves, but passing it to the Lady at their left, following out the idea, that every one would do the work well for their neighbor.

III Report on Community Activities and Relief, by Mrs R. A. Hodds, of Glute, was read by Mrs Rang, A very full
