

One Branch had Diphtheria Toxide given to the school, Demonstration and papers on Health.

II Report on Home Economics was prepared by Mrs Beckett of New Lisheard, gave ways to get rid of moths, papers on food and clothing. Miss Powell in discussing these reports, asked us to be definite in our requests for help from the Department. In regard to Mental Clinics referred us to Dr Fair, who will give information required. There is a chart by Miss Crushank Macdonald Hall, Guelph, on the Home, Clothing and Housing, very good to have. Every homemaker has something to pass on to others. There is a bulletin on the removal of spots and stains available from the Department, and Pamphlets on the care of milk and more milk in the diet, from the dairying and cold storage Branch, Dept. of Agriculture, Ottawa.

III Reports on Historical Research by Mrs J. McAuley Charlton, and Education by Mrs R. Ross Thonloe, followed. The former gave us the idea we should keep a scrap book and Mrs McHowell told us that Miss Appelbe, stressed the point of making 3 copies of whatever material we wished to preserve. Those living near Indian Reserves might get historical information from them.

The latter gave several items the Branches were carrying out. Addresses, Prizes for pupils making the highest marks Study of Authors, The Biography of our Governor General, The Changing habits of man in the last fifty years, and purchasing a library.

Community Singing followed, after which, Miss Powell gave an address on "The Educational needs of the homemaker". Miss Powell gave us many practical ideas and ways, how we as homemakers, can make the most of life. There should be Honesty, Business, Proportion and Courtesy in the home, Honest with the children, Budgeting is the best in the business line, By keeping in touch with scientific Research, we will raise our standards. In our homes we should arrange the furniture for comfort and beauty. At our meetings we should study the Co-operative Program, so as to know, what part we would like to take up. She told us, that the Royal Bank gave a little book on Budgeting.

Discussion on Short Courses, and local leader training classes
