

Child Education, Adult Education, Music and Cultural Education; Biographies; New course of Study for use in Public Schools in Ontario; Seasonal Programmes - Study of Special days i.e. Thanksgiving, Christmas, etc; Use of Library; Travelling Library, etc.

Miss Mary A. Clarke, Superintendent W. I. Ontario led discussion on these reports - said it was important that branches should report whether they have done any work on any Standing Committee, or have not. We should strive to have everyone doing something - making her necessary in the branch. In our reports we should stress the number of branches doing the same thing. She urged us to stress "Preventive Health" in our W. I. work and in our homes, and (she) hoped that branches would make use of "Health Courses" by Institutes Branch. She was glad to hear that branches are emphasizing "Education Week" sponsored by Department of Education, and Teachers' Federation. Branches were encouraged to use Libraries more. In case of "Travelling Library" all are privileged to ask for any desired book or any desired or varied collection of books. A topic for meeting might be "Intelligent use of Radio" - Radio Committee or Club. report important items. Reference was made to Motion Pictures - and Censor Board. Mrs. T. J. McDowell made reference to "Study of Our Flag" and to the pamphlet "Our Flag" which is very instructive. Motion to adjourn for lunch - Moved by Mrs. Clifford, seconded by Mrs. Webb. Carried.

Afternoon session - Mrs. J. McAuley presided. Community Singing led by Mrs. Knight opened this session. Report on Home Economics given by Mrs. H. S. Lang in absence of Corwener. Mrs. W. Chrysler, ^{only cent the} and ^{north} reported. Many and varied subjects studied, very instructive.
