Branch Institutes:

CALVIN
KIPLING
MATTAWA
NIPISSING JCT.
PHELPS
RUTHERGLEN
THIBEAULT HILL
TROUT MILLS

Resolution Re Farmer's Image:

Whereas consumers have a poor image of farmers and how they produce food, and there is a stigma attached to farming;

Be it resolved that the Federated Women's Institutes of Ontario request all members to monitor television, radio, and print media for degrading comments and portrayals concerning farmers, whereupon a letter of disapproval will be sent to the source of the item and the supporting agency or company.
