Dear Mr. Treaves!

I received your parcel of cigarettes yesterday and would like you to know how much they were appreciated. The cigarettes here are really ~~so~~ dear and rather hard to talk and when we do get some good ones we can't thank the sender too much. I would like to thank the whole Legion in person but I'll have to ask you to do that for me.

I am rather enjoying myself over here and it did get a bit hot but exciting for a while. I spent a very good leave with some friends in the lake district and had a wonderful time.

I'm afraid there isn't much more to say but I do thank you ever so much again.

Best of luck.

Edward Payne.
