

24
Annual Meeting.

Jan. 28, 1948.

The Members of The Morganston Cheese Co-operative met in the Church Basement this afternoon, Mr. P. R. Darling, President acting as chairman.

The Minutes of the last annual meeting were read, and approved by motion of C. B. Carr seconded by J. Parkins.

The President then spoke on the rebuilding of the factory, stating that approximately \$ 4,468. had been spent on the building and \$ 3,746. on equipment during the past season.

The Secretary's report was then presented showing decreased production of cheese in 1947, partly due to the late date of opening the factory, June 16th. 153,955 lbs. of cheese produced in 1947.

The auditor's report was then presented in detail showing receipts and expenditures for the past year and the financial position of the Co-operative at Dec. 31, 1947.

Moved by Donald Massey seconded by J. McKague that the auditor's report be adopted. Motion Carried.

Mr. Ralph Bamberg, local Agricultural Rep. then gave a very interesting talk on subjects pertaining to agriculture.

Mr. D. Steinberg, Cheesemaker spoke very favorably of the new factory and expressed his hope for higher scoring cheese in 1948.

Mr. J. A. Murray stated that decreased production of cheese was not confined to our factory alone as the decline for the Province was 10.5% below 1946. He also stressed the necessity of cleaner cheese in 1948 as sediment tests of the cheese were to be taken and payment made accordingly.

Mr. Darling then declared all offices vacant and asked Mr. Murray to preside for the election of officers.
