

A discussion followed regarding the washrooms. Mr. Gordon Jacques being unable to do the work, members were asked to find out someone who could do so, report on same at our next meeting.

It was moved by Mrs. Joyce Gouneau and sec. by Mrs. Marg. Bossonette, that we hire a conveyance to take the members to a picture show, Mrs. Dode Wallace being appointed to look after it.

One more Penny round-up bag was handed in - Mrs. Dode Wallace's. Moved by Mrs. Shirley Shore, and sec. by Mrs. Marg. Bossonette, that we adjourn.

Our social committee then took over, and showed three short films. One, a cartoon, was followed by a comedy which was hilariously funny, and a very interesting film on hockey, which were enjoyed very much by the audience. Mrs. Ron Gouneau had the boys do a couple of contests after which lunch was served.

Mrs. Doreen Nielson thanked Mr. George Shore and Mr. Lloyd McCalland for their kindness in coming to the hall to run the projector for us.
