

Old freight shed destroyed  
in fire - site of post office  
built in 1931

32

what is building in  
back

likely Victoria Hall

These pictures could have <sup>34</sup>  
been taken outside the <sup>35</sup>  
Bay View House, judging  
by the balcony on one of them  
and the hydrant in front.  
My brother Fred used to ride  
around on a steer, but I don't  
remember seeing one hitched  
up -
