

A diver was called in to fix the locks, summer, 1946

Percy said that the man in the white cap is Jack Cape. (He died in 1951) and so it was before that. The other two are probably Charlie Carr and Jim Watt. (Stephen)

Reg. Stevens started in 1951 and Percy started in 1953.

(Bartleman) In 1951 they had extremely high water. Higher than this year.

Ask Lorraine Arney - Jack Cape was her father.
