

Lettersom Dec. 5th / 36.

To the Members of the Lettersom
Women's Institute, I wish
hereby to tender my resignation
as Librarian, as I find my
health will not permit me
to fulfill this Office any
longer.

It is with regret on my part
that I have to relinquish my work
with the books which I have had
Charge of for the past ~~two~~ years and
a half.

I would like to have Mrs LeDoyer
appointed as Librarian as she
understands the work and has
been my faithful assistant
for a number of years now.

Faithfully yours
Annie Brown.
