

Decided that five dollars (\$5-) be donated to buy story books for the children of the school. Moved by Mrs. Stewart, seconded by Mrs. Mills.

Mrs. Armstrong extended the hospitality of her home to the speaker, Mrs. Wiber, on June 10th.

Decided that the subject we would like Mrs. Wiber to speak on would be "What the Institute can do for the Community."

Decided that a gift be sent for, to be presented to the teacher, when school closed.

After the roll call at the ^{next} meeting a programme for the entertainment of our guest be given. Said meeting to be held in the school and all ladies of the community asked to attend, if interested. Refreshments to be served, and these contributed by various members.

Mrs. Armstrong then served an enjoyable lunch after which God Save Our King, being sung, the meeting adjourned.
