A special meeting of Directors was called and held at the home of Mrs Steward for the purpose of selecting a representative to attend the Dist. Annual Meeting at English. Those present were Mrs W. Farlane, Mrs Steward, Mrs Mills, Mrs S. Hodgins, Mrs A. Hodgins and Mrs Houlston. It was decided Mrs W. Farlane and Mrs Houlston should attend the Dist. Annual Meeting.

Mrs W. Farlane suggests we should have a picnic back, and that we would ask Mrs H. G. G. to make same.

Mrs Steward moved that the Institute provide the cones for the children on Field Day, as this might mean a medium expense, it was decided by the District that a special meeting be called for the purpose of placing some suggestions before the entire membership. Thursday the 29<sup>th</sup> was chosen, being the date set and Mrs Mills kindly offered her home.
