

July 3 1940

The regular meeting of the Bunker W. Institute was held at the home of Mrs. A. Hills with Mrs. Haughton presiding.

There were 10 members and two visitors present.

All answered the roll call of "An improvement since grandma's day" with suggestions anaesthetic, threshing machine, sewing machine, milking machine, aeroplanes, food choppers, railway improvements.

The report from the representatives to the annual district meeting was read and

The Institute then discussed sending a representative to the next course but deferred any definite action till the next meeting.

The Institute then decided to purchase five yards of the widest unbleached cotton for a quilt top; also the purchase five yards of white flannel.

The next meeting to be held at the home of Mrs. Klevin the first Wednesday in August.
