

A reading by Mrs Hough on Moon time  
seeding.

Paper by Mrs McAuley on the late  
Mr Drummond.

A flower contest was held and  
Mrs Hough was the lucky winner.  
A letter of thanks to be sent to  
Mrs Ferguson for services rendered  
the W. S. I. during the past years.

The July meeting will be a picnic  
for the members and their children  
and will be held near the creamery.

The meeting closed with the national  
anthem, and community singing  
was enjoyed. A lovely lunch was  
served by Mrs Shrimney assisted  
by Miss Mary.

One delightful feature of the meeting  
was the down pour of rain we  
arrived in every one had to get  
dry foot wear & slippers was provided  
for Mrs Dore and Mrs Palmer, a size  
or two large but comfortable. It took  
some time to get rid of our wet coats etc  
but finally the meeting got under way.
