

## MINUTES OF ANNUAL MEETING

Date... June 5th 1951... Place... Hunt Community Hall

within limits of all members, make meeting interesting, and not spend too much time on business and plan programmes.

Wear our I. W. I. D. pin and a badge, not as a brooch to hold the dress together. Mrs. McCracken referred to President's remarks re respect shown to King when National Anthem is played, a suggestion made to write Principals of Cochran Schools to bring this to attention of pupils.

All conveners of all committees read their own reports, with 100% from each branch. The District conveners of Community Activities & Public Relations; & Historical Research & Current Events, each gave a splendid report on their trip to Guelph Conference, a special note that Chute History Book won 5th in the contest. Community Activities was given by Mrs. Stiles; gifts to hospital; baby & bridal showers; sale of used articles, bazaars, dances & various other means were used by the branches to promote activity in their own communities. In her Guelph report Mrs. Stiles said to lead the children to the higher ways of life, make the home more attractive, visit elderly people so there last years are happy ones, remember the last two lines of the opening ode "But each shall seek the common ideal, The good of all mankind." that is what we should stand for. Get your news to the paper on time; send some women to Ottawa, we need representation there.

Mrs. Stiles moved the adoption of her report seconded by Mrs. G. Piche!
