

# MINUTES OF ANNUAL MEETING

Date June 12<sup>th</sup> - 13<sup>th</sup> 1952 Place Island Falls Community Hall.

stated that she had visited all six branches during the year and executive meetings. She remarked on the Guelph conference as being very worthwhile and educational also that the southern women thought very highly of the northern ones. She found the Women's Institute was more thoroughly known in Cochrane than it had been. She suggested that each branch invite the District President at a time when they wanted her, thus eliminating the possibility of the President taking up time allotted for another speaker. She also suggested that Blue Cross money be handled separately and not put in with Women's Institute funds.

Mrs. A. G. Stiles first Vice President stated that her address was somewhat a duplicate of Mrs. Summers. In reference to the Guelph conference she said that no one ought to go twice, everyone should be given a chance to attend.

Second Vice President, Mrs. D. MacPherson had attended all executive meetings. Mrs. MacPherson said that she had asked the manual training teacher to make a plaque for the youth's bed in Lady Minto Hospital that the District W. I. had bought.

Mrs. S. E. MacCracken A. W. I. O. Representative in her report remarked on how proud she was of the way northern ladies are looked upon. She warned against becoming smug saying that "He stop progressing when we become smug". 96.01 percent of the branches reported at the District Annuals. Mrs. MacCracken said that Miss Lewis would greatly appreciate it if any branch not
