Mrs. Empey moved the adoption of this report.

Mrs. W. Riley read Mrs. Blackwell's report on Junior Activities: - Swine and calf clubs were carried on by Junior Farmers during summer. Two representatives attended Jr. Farmer conference in Sault St. Marie. Young farmers from Scotland met various members of the Jr. Farmer's Clubs. Home-making clubs and garden clubs were active in several communities.

Mrs. Riley moved the adoption of this report.

Resolutions were read by Mrs. Stiles.

① Resolution re. subsidy on Water supplies.

Whereas the present system of extending aid to settlers and farmers in Northern Ontario, as regards water supply applies only after the settler or farmer has expended \$200.00 of his own money and does not include the price of a pump in the total cost:

Whereas an adequate water supply is
