Carried.

Mr. D. A. Comeau addressed the meeting, his subject was a very interesting address on "Plants Preparing the ground for gardening, and 'Cultable fertilizing, seeds etc.' to be used, judging by the applause the ladies gave him in conclusion it was evident they all enjoyed his topic very much.

Roll call was then answered by all ladies present the subject being "Hints on housecleaning". Some very useful and economic hints were given.

Meeting closed with the singing of the National Anthem.

Receipts of the evening were \$1.25
